

Experience life like
you've never seen
it before.

Improving your vision means more than just enhancing your eyesight. It's about refining your quality of life, and focusing on what's really important. Your health. Your happiness. And your freedom to experience life with clarity you've never seen before.

Custom LASIK and NearVisionSM CK are just two of the many highly advanced procedures available at Prado Vision, and performed only by Dr. Antonio Prado.

This is Prado Vision.

Custom LASIK.

As unique and distinctive as your eyes.

Custom LASIK, performed by Dr. Antonio Prado, is the most advanced personalized laser correction system available in the world. Whether you suffer from nearsightedness, farsightedness or astigmatism, Custom LASIK by Dr. Prado can have you seeing up to 20/15 vision in less than 20 minutes.

Restoring your vision and self-confidence.

Mapping and analyzing up to 9,600 data points to create a comprehensive three-dimensional image of your eyes, Custom LASIK assists Dr. Prado in creating a truly personalized laser correction plan for your eyes only.

what to expect:

- anesthetic eye drops
- creation of a hinged corneal flap
- personalized laser correction
- corneal flap returned to original position
- fast, natural flap adhesion and healing begins
- immediate improvement of your vision following procedure

While Lasik is among the most sought-after therapies, it is just part of the comprehensive eye care provided by Prado Vision and Lasik Center. Our board-certified ophthalmologists, optometrists, opticians, and certified technicians, also conduct routine eye examinations and treat patients with such conditions as glaucoma, cataracts, and diabetes.

"I was really happy with the way Dr. Prado handled my questions."

Randy Winn - Major League Baseball Player

"Right away I noticed that colors seemed more vivid, and my depth perception was dramatically improved."

Al Keck - TV Sports Director

"My only regret is that I did not have the surgery sooner."

Amy Cardy - Local Radio Personality

"It's the best investment I've ever made."

Robbie Saavedra Jr.

- Hillsborough County Fire Resue

"Everything looks sharp and clear. I had no pain or discomfort."

Ken O'Brien - Commander, U.S. Navy

"Just 22 hours post-op I had 20/15 vision. What a medical miracle!"

Paul R. Wilson - Business Executive
